LUMS Blazing a Trail in Pakistan and Asia

The Lahore University of Management Sciences (LUMS), established in 1985, is one of the largest and leading universities in Pakistan. Among the top 700 universities of the world in the QS University Rankings, LUMS has an established reputation for academic excellence and has received great acclaim for its programmes from within and outside the country.

The University has made sure its curriculum and educational standards are in line with global industry needs and trends, which is one of the reasons why LUMS has seen such exponential growth in the past three decades. The University boasts leading edge research systems and innovative centers so that students are equipped to tackle emerging challenges in their fields more efficiently.

Students at LUMS continue setting high academic standards and go on to graduate with skills that help set them apart in the job market both nationally and internationally. This, in part, is due to a university culture that advocates academic excellence, experiential learning and freedom of thought. LUMS continues to set its sights on becoming an internationally acclaimed research university that aspires to serve the society through even greater excellence in education and research.

Lahore – A Historic and Hospitable City

Lahore is a diversified, pluralistic and peaceful city. The historical, cultural and educational capital of Pakistan is home to a population of 11 million. This city has a legacy and a history of more than a thousand years. As the heart of Punjab, influences from all past kingdoms and empires bleed into the present making for a rich, diverse and colourful city. Therefore, it is no surprise that Lahore has produced countless scholars, Nobel Laureates, poets, writers, intellectuals and scientists.

As the center of higher education in Pakistan; medical schools, universities, professional colleges and art schools can be found dotting the city landscape. Lahore has got modern transportation facilities, Wi-Fi hotspots, various sports stadiums, huge parks, swimming pools, malls and entertainment spots; all those facilities and luxuries that leading cities offer around the globe. The people of Lahore are friendly, generous and hospitable with a well-known zest for life. Not to mention the city's dozens of food streets and hundreds of restaurants offering all sorts of indigenous, continental and fast foods.

From a security perspective, Lahore is one of the safest cities in Pakistan and operates under an integrated command, control and communication system that virtually guarantees public safety. In addition, security personnel in the city are always willing to guide and help during any sort of minor or major emergencies.

Studying Resources

The Gad and Birgit Rausing Library serves as a center for information and knowledge for the faculty, researchers and students with its wide-range of collections, dedicated staff, high-quality infrastructure and online services. It is open for anyone and everyone who seeks to benefit from this repository of knowledge.

Dining

At LUMS, we offer you many on campus dining choices. Let yourself go beyond books and lectures and enjoy the choices of eateries that LUMS has to offer. The Pepsi Dining Centre (PDC) is at the heart of the University and offers a diverse mix of meals and snacks at affordable prices but if you are up for something different, the University also offers many other food outlets serving a wide variety of cuisines to dine and unwind.

Staying Fit

The pride and joy of the LUMS Community, the Syed Maratib Ali Sports Complex, houses the most modern male and female gymnasiums, four squash courts, an indoor basketball court, four badminton courts, and an indoor volleyball court. We also provide you with outdoor sports facilities, which include two volleyball courts, two tennis courts, a football ground and a cricket field. The LUMS Coca-Cola Aquatic Centre, an international standard indoor swimming pool built in line with FINA specifications (25 metres length), is operational throughout the year and is certified for national and international competitions.

Courses

The academic programmes offered at LUMS include undergraduate, graduate and postgraduate degrees in various disciplines. All courses are taught in English and students have the freedom to explore their interests in a variety of subjects before choosing their majors. Our incoming exchange students are allowed to take courses offered by all schools provided that they will meet the prerequisites of the courses.
