When registering, please take notice of the timeslots to avoid course overlap.

While the standard workload per semester for Reichman students is 6-9 courses, students are strongly advised to consult their home institution and receive approval for their intended courses of study.

**Please note that only MA Government courses are available to Master level students and Bachelor (undergraduate) students cannot register for Master level courses.**

Further academic information can be found [here](#).

## Course Restrictions

Registration for courses in the following fields are **prohibited**:

## Grading, Course Credits & Transcript

Reichman University (IDC Herzliya) functions on a 0-100 grading system, where 60 is the minimum passing grade. Some courses work on a pass/fail basis.

Each course is worth between 2-4 credits. A 2 credit course meets for 90 minutes per week over the course of the semester (14 weeks).

Once all final grades are updated, exchange students are able to order their final transcript through their Student Information Platform. Directions to order the official transcript can be found in the "Course Registration Instructions Booklet". Link to this booklet can be found [here](#).

For specific transcript questions, students should contact Ilana Benyosef.

## Disability-Support Services

Reichman University (IDC Herzliya) does its best to accommodate all students. Students who require special assistance are able to seek accommodations according to their needs. Likewise, exam conditions can be modified to meet students' needs. Facilities are wheelchair accessible.

## Exams

Each semester is followed by two individual exam periods referred to as Moed 'A' and 'B', which run for approximately four weeks each. Students are automatically scheduled to take exams on the date of the Moed 'A'.

However, where the student is not able to attend the exam on the scheduled date or where the student is unsatisfied with his/her initial result, then the student is able to re-sit a second version of the exam on the date of the Moed 'B'. Students who failed the Moed 'A' are automatically rescheduled to retake the exam on the Moed 'B' date.

## Exams Abroad

In exceptional circumstances, exchange students can take their final exams abroad.

A request for an Exam Procedures form must be sent to the student exchange office, filled out by the student and returned up to one (1) month prior to departure.

If approved by the home institution, arrangements will be made to take the final exams at the student's home institution (with a proctor – at the discretion of the home institution).

## Housing

Reichman University cannot guarantee student housing on campus for exchange students. Please note – **rooms in the dormitories for exchange students are extremely limited with only 10 rooms available for full-year exchange students**. Therefore placement is subject to availability on a first-come, first-serve basis.

Link to the dormitory website [here](#).

We highly recommend for our exchange students to look at great housing options offered in the Herzliya and Tel Aviv area. Students should choose to look independently for off campus living arrangements (housing suggestions will be included in the acceptance package. Additionally more information can be found [here](#)).
