Universities requiring any language certificate, are stated on the list announced at <http://exchange.sabanciuniv.edu/>.

4. How well do I have to speak the language of the host country I will go to?

Students do not need to speak the language of the host country. However some universities might require A1 or A2 level language proficiency of the language of the country. Most of the partner universities offer courses in English for international students. We strongly advise students to attend a language course, before they go, so that it will help students adapt more easily.
