Leading the Way

With experience spanning more than a century and an established track record of conducting high-quality research, we at Aalto University School of Business are well-equipped to educate the influential leaders of tomorrow.

The School of Business is the leading business school in Finland and ranks among the best in Europe. The School provides students with a multidisciplinary, international learning experience. The focus is on teaching through real life challenges, real cases, consultancy projects, and internships, in close cooperation with the business community and the rest of the society. The School of Business is a community of 2,700 students and 103 faculty members with approx. 600 international students a year, totalling 16% of the student body.

Triple Crown status
Aalto University School of Business is the first business school in the Nordic countries to have received all three labels of excellence from the world’s leading business school accreditation bodies: AACSB, AMBA, EQUIS. This Triple Crown status is an honour held by only a few business schools worldwide.

CEMS – global cooperation
CEMS is a global alliance of leading business schools and multinational companies. It constitutes of 30 academic institutions, 70 international corporate partners and 5 social members. The member schools together, in close cooperation, produce the CEMS Master’s in International Management (MIM) programme. At Aalto the CEMS programme provides students with two degrees – Master in Global Management (M.Sc.) or the CEMS MIM. The Aalto University School of Business is the only institution in Finland offering the programme.

PIM
Partnership in International Management (PIM), a consortium of 60 top business schools from around the world that share reputations for academic excellence regionally and globally. The expertise acquired within PIM permits member schools to enhance their international commitment. The School of Business is a select member of the network.

Aalto University Executive Education
Executive education and professional development services are provided under Aalto EE, Aalto PRO, and Aalto ENT. Aalto EE offers MBA programs in Finland, Singapore, Poland, South Korea, Taiwan, Indonesia and Iran. Aalto EE is the most renowned actor in the field in Finland and offers its services in Asia and in a number of countries in Europe.
Application and Admission

Students interested in an exchange at the School of Business are first to contact the study abroad coordinator at their home universities. The School of Business accepts exchange students nominated by its partner universities only. After being nominated by the home universities the students will receive a link to an online application form. Students are to provide a CV, a photo and a transcript of records as attachments. Once the application is completed and approved, the students will receive an official letter of acceptance. More information at into.aalto.fi > School of Business > Incoming Exchange Students website.

Application Deadlines

• Autumn Term: Application of Admission (incl. housing): April 30th
• Spring Term - Application of Admission (incl. housing): October 1st

Language Requirements

Although no official test records of English like TOEFL or IELTS are required, we expect nominated students to be proficient in English both in writing and in communicating in the classroom in order to fulfill the course assignments. The home institution verifies students’ proficiency prior to nominating them to Aalto. The expected level of English proficiency is equivalent to IELTS 6.5 (total) or TOEFL 92 (total).

Visa Requirements

Depending on the nationality and the length of stay, the student may need a visa or a residence permit. Students should immediately proceed with the visa/residence permit application at their home countries. The student is responsible to check with the authorities of their home country for the visa process. The letter of acceptance as the process takes up to 6 weeks. Travel arrangements should only be made once the visa/residence permit has been issued. Information about Finnish consulates and embassies can be found at mibiinliendi.fi.

Orientation and Tutoring

Orientation days are organized at the beginning of each semester. Two local student tutors lead tutor groups of approximately 10 exchange students. The tutoring service is organized in close cooperation with the Student Association.

On Campus Services

Group training and gym ale offered on both campuses by Unisport. Career Services offer career counselling, Aalto CareerWeb for vacant positions, workshops on CV writing and job hunting skills. And there is a campus wide wireless network available.

Benefits from the Student Union

The Student Union offers a wide range of services to students. It provides group insurance, student health services, and discount nights. Food and student-priced meals in student cafeterias. The Student Association organizes many leisure time activities from parties to field trips, from sports to cultural activities. Visit ayy.fi/en/..

Health Insurance

By joining the Aalto University Student Union students are entitled to the services provided by the Student Health Services (“Yrity”). The service does not cover all medical costs, so international students are expected to have a medical insurance of their own. For some international students it is mandatory to have a medical insurance in order to get a residence permit in Finland.

Note! Autumn term exchange students can experience the world class start-up event Slush by volunteering.

Aalto unique features
The university emphasizes importance of multidisciplinary teaching and learning and has introduced Aalto Cross-School Courses and University Wide Art Studies (UWAS) i.e. Entrepreneurship and Innovation Management, Design and Creativity in Business, and Business and Society. UWAS courses offer access to design thinking for every discipline in the university. There are diverse cross-disciplinary activities to learn design thinking and gain insight to working in multidisciplinary teams.

Start-up scene
Startup Sauna and Aalto Entrepreneur Society (AaltoES), as well as Slush and Summer of Startups are examples of the genuine student-driven start-up scene at the university. Around 70-100 new companies are born at Aalto University each year.

Factories
Design Factory, Health Factory and Media Factory act as joint platforms combining the expertise of Aalto University’s schools in product development, health and wellbeing, and media. The Design Factory is an open environment for research and education on product development. The concept is implemented around the world.

Art and Creativity
Art, design and creativity drive innovation and entrepreneurship. These concepts radically challenge our society and culture. They generate new knowledge and understanding and create value by leveraging humane designs and viable solutions. The university develops and promotes art-based activities across disciplines, knowledge frameworks and communities. The School of Arts, Design and Architecture is ranked #13 by QS in the world.
