### APPLICATION PROCEDURE

Detailed information about the exchange application procedure at WUR, deadlines and how to select courses can be found on our exchange website: [http://www.wageningenur.nl/en/Education-Programmes/Study-Abroad-and-Exchange-Students/Incoming-to-Wageningen-University.htm](http://www.wageningenur.nl/en/Education-Programmes/Study-Abroad-and-Exchange-Students/Incoming-to-Wageningen-University.htm)

The application deadline is May 1st for students who start their exchange in September. For students who start in January or later, the application deadline is October 15th. Students have to be nominated for exchange by the coordinator from the home university.

### ESTIMATED MONTHLY EXPENSES
Rent of student accommodation € 300 - € 500
Health insurance and legal liability insurance € 75
Groceries € 300
Books and study materials € 200 per year
Total About € 1000 per month

Exchange students can only be nominated for housing through the exchange coordinators. Exchange students cannot submit a housing application with Student Housing. There is a limited amount of rooms reserved for exchange students.

As the amount of rooms at the housing office is limited, most EU students will need to find housing through the private market. In most cases housing is guaranteed for non-EU students because of immigration rules.

**IMMIGRATION INFORMATION**

For some incoming students, Wageningen University needs to apply for a MVV entry visa and/or residence permit (VVR) after admittance (students should not start procedures themselves). The International Office of the Student Service Centre (SSC) from Wageningen University will send the application for entry visa (MVV) and/or residence permit (VVR) to the immigration authorities (IND). The dues for this procedure are 311 Euros (2015). In this table can be checked which permit(s) are needed.
