GENERAL REQUIREMENTS

The general prerequisite for bachelor exchange students is at least one year of completed university studies at the home institution before the exchange semester. We require prerequisites with the equivalency of a bachelor degree of at least three or four years for applicants interested in master level courses. All students must fulfill the prerequisites of each chosen course. When signing the Choice of Courses - Confirmation the home institution certifies that the student fulfill the prerequisites for each chosen course and language skills.

Exchange students must have the equivalence of:

**TOEFL**

- Internet based: a minimum score of 90 with at least 20 in “Written test (TWE)”

GRADING SYSTEM

JTH uses a national grading system which is applied to all JTH students. From August 2014 the EGT (ECTS Grading Table) table will be used instead of ECTS grades. The EGT table will be included in the transcript of records for international students. http://ju.se/en/study-at-ju/studying-at-jonkoping-university/the-swedish-academic-system/grades.html

| National grading table | 5 = very good
