It means that we require as minimum: CAE (C), TOEFL iBT 79, IELTS 6.0, LCCI Level 3 (Pass), TOEIC – 750 or the confirmation from partner school that the student is demonstrating equivalent proficiency.

To validate a semester an exchange student should pass 30 ECTS credits, but the workload depends on home school requirements. One full course (30 contact hours) equals to 3 ECTS credits. Free-movers must take at least 18 ECTS in courses.

Learning Expectations:

Format of courses vary. Mostly these are combination of lecture, and tutorials with case analysis. Participation and attendance is evaluated on professor’s perception.
Maximum number of students admitted to a course is between 30 and 40 and there is higher limit for lectures and core major courses.

Next, transcripts are sent to the partner schools. *Grading scale is available in the bottom of this document.*

Grading table:

From 2012/2013 academic year, SGH has changed its grading scale by deleting the 5.5 (the highest) grade. Therefore, the grading percentage of current 5.0 grade represents accumulated percentage of former 5.0 and 5.5 grades. The ECTS grading table that reflects the actual distribution of grades under new system has been updated in May 2013.

In a new system, the grading scale used at SGH from 2012/2013 ranges from 2.0 to 5.0.
- 5.0 is the highest grade and the lowest passing grade is 3.0.
- 4.0 is the norm for a good pass.
