At The University of Texas at Dallas, we bring people and ideas together from around the world. As a rapidly growing research institution, we attract a diverse group of students and faculty to the vibrant and globally-connected Dallas-Fort Worth area. Together, we are creating the future.

Why Choose UT Dallas

UT Dallas is a student-centered university offering:

- **Outstanding Faculty**: Our globally-recognized faculty consists of some of the world’s best scholars and researchers, including a Nobel Prize laureate and members of the National Academies of Science, Engineering, and Inventors.

- **Strong Academics**: Our academic programs focus on the University's core strengths, including science, technology, engineering, and business research, as well as excellent opportunities in interdisciplinary studies and the arts.

- **Great Location**: UT Dallas is located in one of the top four major U.S. metropolitan areas with one of the strongest regional economies in the country.

Dallas-Fort Worth

The Dallas-Fort Worth Metroplex is one of America’s largest urban areas, with shopping, entertainment venues—including five major sports teams—museums and art galleries. Whether it’s going to a basketball game or eating Texas barbecue, there is plenty to see and do. All enrolled UT Dallas students are eligible for free use of the city’s bus and light-rail system, which provide convenient access to the many exciting venues the area has to offer.

**Dallas is a dynamic city with countless things to do: museums, natural parks, shopping malls, great places to eat and go out. Texas is also very central in the USA, which gives you tremendous opportunities to travel even across borders. Not to mention that people here are very friendly and welcoming!**
