### Programs open to exchange students

#### Courses in English:
Our English course options for exchange students include more than 200 high-quality courses offered every term in a broad variety of business fields. A wide range of courses are taught in a block format, which contributes to increased flexibility in scheduling courses by exchange students.

#### Courses in German:
Apart from courses offered in English language, incoming exchange students can also attend a variety of courses taught in German.

Courses & FAQs for Bachelor students: [www.wu.ac.at/io/undergraduate-courses](http://www.wu.ac.at/io/undergraduate-courses)

Courses & FAQs for Master students: [www.wu.ac.at/io/graduate-courses](http://www.wu.ac.at/io/graduate-courses)

Courses at WU might overlap and the registration system allows students to register for conflicting courses. As courses are based on continuous assessment of student performance, attendance of all course sessions is mandatory. Thus, it is the students’ responsibility to only register for courses they can attend in full.
Course registration is based on the first-come, first-served principle, therefore we strongly recommend that students prepare 2 back-up courses in case registration for their preferred courses is not successful.

Course numbers at WU have a purely administrative function and change every semester.

Course load
There is no minimum requirement for incoming exchange students. The maximum course load is 36 ECTS credits plus one German Business Communication course.

Language requirements
Depending on the language of instruction (English or German), exchange students are required to have an advanced level of English or German (comparable to level B2 of the Common European Framework of Reference), to be able to successfully complete courses at WU.

WU does not require official language certificates as we trust our partners to send students who fulfill the aforementioned criteria. However, if students do not meet the language requirements, we reserve us the right to withdraw them from courses.

German language courses
Before the semester:
WU offers an optional pre-semester German language course during the Orientation and Cultural Program three weeks prior to the start of the semester. To participate, students need to apply by May 15 for the winter semester and by November 15 for the summer semester. Places are limited. A reduced fee is available to Erasmus students.

During the semester:
WU offers German Business Communication courses at 5 different levels. German Business Communication courses are free of charge. Places are limited.

Further services for exchange students
Orientation and Cultural Program:
Starts 3 weeks prior to the start of the semester and includes a sight-seeing program, field trips, presentations on Austria, etc.

Academic advisors:
For each of WU’s partner universities, a specific WU faculty member serves as academic advisor. Academic advisors support students in selecting appropriate courses and give advice on relevant academic matters.

Buddy Network:
The Austrian Students’ Union (ÖH) at WU provides exchange students with a “buddy,” a WU student who acts as their personal mentor. The Buddy Network also organizes a number of social activities for exchange students (skiing trips, trips to neighboring countries, theater visits, etc.)

Accommodation
Exchange students arriving in Vienna have several options to choose from when booking their housing for their stay. These options can include

- residence halls run by OeAD (Austrian Agency for International Cooperation in Education and Research), which is the main housing provider for students in Austria
- or a private flat that can be found for example through the housing platform Housing Anywhere,
- or through another third-party provider.

Staying in an OeAD Student Residence Hall
Students can apply for accommodation in student residence halls. Students interested in renting these rooms need to apply by May 15 for the winter semester and by November 15 for the summer semester and pay a deposit.

Private Accommodation
If students prefer to arrange their own accommodations, we recommend using the Housing Anywhere site or any other databases listed on our website. If students need proof of accommodation for visa purposes, this proof has to be issued by the landlord.
