Additional information under the Academics section at: [www.bu.edu/abroad/inbound](http://www.bu.edu/abroad/inbound)

<b>Course Descriptions</b>	<a href="http://www.bu.edu/phpbin/course-search/">http://www.bu.edu/phpbin/course-search/</a>
<b>Class Schedule</b>	The class schedule for the upcoming semester is available online to accepted students only. A BU student account is required to log in to view the schedule.
<b>Credits and Full-Time Status</b>	Most Boston University classes are worth 4 credits. Exchange students must register for at least 12 BU credits per semester to maintain full-time status, though a typical course-load is 16 credits. The maximum course load exchange students may carry is 18 credit hours per term.
<b>Contact Hours</b>	Classroom-based courses are typically assigned 1 credit per 1 scheduled contact hour per week. Each credit assigned includes an expectation of at least 2 hours of independent student effort per week for successful completion of the course. Additional information can be found here: <a href="http://www.bu.edu/policies/credit-assignment-to-academic-courses/">http://www.bu.edu/policies/credit-assignment-to-academic-courses/</a> .

Some courses do not offer online registration; for these, the Program Manager for Exchanges will provide registration assistance. Students can modify their class schedules during the Add/Drop period at the beginning of the semester.
<b>Class Types</b>	Most BU classes are one-part ("independent"), though some are multi-part and may include a lecture, discussion, and/or lab component. Students should pay attention to this when registering to ensure that they register for all components of each class.
<b>Assessment and Grading</b>	Students may refer to <a href="http://www.bu.edu/reg/grades/explanation-of-grades/">http://www.bu.edu/reg/grades/explanation-of-grades/</a> for an explanation of the grading system. BU classes involve graded homework, quizzes, essays, and exams throughout the semester as well as a large presentation, research paper, or exam at the end of the semester. Final grades represent a weighted average of these components. Many professors also consider class participation when assigning grades.

## BU Housing and Dining

BU maintains a variety of on-campus housing options. Exchange students are guaranteed on-campus housing at BU. Students who opt to live off-campus are responsible for finding their own housing. \*Covid-19 restrictions may have altered on-campus housing placement, but it is still guaranteed to those who apply for it by the deadline. Housing information can be found under the Housing & Dining section at: [www.bu.edu/abroad/inbound](http://www.bu.edu/abroad/inbound)

<b>On-Campus Housing</b>	Most students live in a room with one roommate and shared bathroom facilities. Students can request another style of accommodation on-campus (single room, apartment, or suite style) but these housing options are in high demand and exchange students should be prepared for the probability that they will be assigned to dormitory-style housing with a roommate. On some occasions, accommodation may be provided in a nearby hotel for the semester, if all on-campus rooms are full. All on-campus housing is close to class locations and easily accessible by public transportation.
<b>Off-Campus Housing</b>	Students can choose to rent an apartment in the city of Boston alone or with a roommate. Students must arrange that housing on their own. BU Study Abroad does not provide assistance with off-campus housing placements and cannot vouch for the validity of any private housing contract. Craigslist is a good resource for Boston apartments: <a href="http://boston.craigslist.org/">http://boston.craigslist.org/</a> .
<b>Housing Guarantee Payment</b>	All students who will live in on-campus housing must pay a <b>non-refundable</b> Housing Guarantee Payment before they can be assigned to a room. Instructions for making an international payment can be found here: <a href="http://www.bu.edu/studentaccountingservices/your-bill/payment-options/">http://www.bu.edu/studentaccountingservices/your-bill/payment-options/</a> .
<b>Dining Plans</b>	All exchange students (whether living on- or off-campus) have the option of purchasing a BU Dining plan. Details of the plans are available here: <a href="http://www.bu.edu/housing/dining/">http://www.bu.edu/housing/dining/</a>
<b>On-Campus Dining</b>	BU maintains several on-campus dining facilities which range from large cafeteria-style spaces with a broad variety of offerings, to small restaurant-style options including Starbucks. Dining points or convenience points may be used at these venues. More information on the dining options on campus can be found here: <a href="http://www.bu.edu/dining/">http://www.bu.edu/dining/</a> .
<b>Fees</b>	Students pay for their housing and dining through their online student accounts (Student Link). Housing and Dining fee schedules can be found here: <a href="http://www.bu.edu/housing/living/rates/">http://www.bu.edu/housing/living/rates/</a>
<b>Convenience Points</b>	In addition to or instead of a dining plan, students can purchase BU convenience points. These points are loaded onto the students' ID cards ("Terrier Cards") and can be used to purchase food and supplies at on-campus venues. More details can be found here: <a href="http://www.bu.edu/housing/dining/convenience/">http://www.bu.edu/housing/dining/convenience/</a>

## Medical Insurance

All exchange students are required to purchase Boston University Student Health Insurance. This is a reflection of Massachusetts State Law and exceptions are rare. Please see the Finances section of: [www.bu.edu/abroad/inbound](http://www.bu.edu/abroad/inbound)

<b>Plan Details</b>	Please see the Student Accounting Services site for details: <a href="http://www.bu.edu/studentaccountingservices/resources/medical-insurance/">www.bu.edu/studentaccountingservices/resources/medical-insurance/</a>
<b>Cost</b>	The cost for basic coverage was approximately \$1,250 per semester in 2022-2023. Amount will be higher if summer semester is included.
