### Entry Requirements

Students must have completed at least two semesters of undergraduate studies and must continue to be registered as degree-seeking students at their home universities throughout their intended duration of exchange at SMU.

As the medium of instruction at SMU is English (except for language courses), students must be proficient in the English language in order to benefit from their studies at SMU. Students from non-English-medium institutions must fulfil at least one of the following:

- a. TOEFL score of at least:
  - i. 550 for the paper-based test; or
  - ii. 213 for the computer-based test; or
  - iii. 79 for the internet-based test
- b. IELTS result of at least 6.5; or
- c. any other English Language qualifications as determined by SMU.

**The minimum course load of 1 SMU credit per semester remains unchanged. On an exceptional basis, students may register for a course load of 5 SMU credits per semester, with a formal request from the home coordinator.**

Each full-credit course at SMU carries a weightage of 1 credit. It consists of 3 contact hours per week over a period of 13 teaching weeks (i.e. 39 contact hours). A half-credit course has a total of 21 contact hours per term.

For each course, there will either be:

- One session of 3 hrs per week; or
- 2 sessions of 1 ½ hours each per week.

All full-credit courses run for one academic term. There are 15 weeks in each term, consisting of 13 weeks of seminars (39 hours of classes), one recess week and one examination week. Recess week is used by local students for group work and/or preparation for assignments. International Exchange Students will have to participate in group work as well.

Students are also expected to spend 6 -12 hours per week per course for self-study and class preparation.

All dates of exams are displayed in the course catalogue and are fixed.

*(Dates are set to take into account Seasonal/Religious holidays in Singapore and will not be changed to accommodate holidays from other countries)*

Assessments can include but not limited to:

- **Class Participation:** Although some classes do not list attendance as a mandatory requirement, missing classes will affect your grades and the grades of group members.
- **Individual Project:** Reports, Homework, Essays, etc.
- **Group Project:** Students will be involved in group work with local SMU students and attendance may affect their performance. Some group work preparations may take place during the recess week. When enrolling for courses, international exchange students need to consider this.
- **Presentation (Individual/Group):** SMU is a strong supporter of empowering students and encouraging them to be vocal in class. Most courses require either an individual presentation and/or a group presentation. As English is the main language of instruction in SMU, students need to be able to converse confidently and clearly.
- **Mid-term test:** Some courses may include a Mid-term test. Usually stated in the course out-line. It will be conducted during week 7 or 9.
- **Final examination:** Not all courses have a final examination. Please refer to the course catalogue and course outline for details.

*Example:*

*(a) Class participation: 20%*

*(b) Individual project: 15%*

*(c) Group project: 10% presentation, 25% report*

*(d) Final examination (two hours, closed book): 30%*

Only undergraduate programmes/schools (Accountancy, Business, Economics, Information Systems, Law, Social Sciences) are open to exchange students. A list of courses available for exchange students will be sent to applicants about two weeks before course registration. **There is no guarantee on course availability. ### Prerequisites

Some courses require students to fulfil prerequisites before reading. The prerequisites are listed in the online course catalogue.

If students have done similar prerequisites in their home university, they should check with the SMU course instructors if they will accept these prerequisites.

Prerequisites may be checked by the SMU course instructors during the first week of the term. Students should prepare a course outline (in English) of the courses they have taken that meet the prerequisite for the SMU course instructor's review.

Students may contact the course instructors to enquire if they fulfil the prerequisites. A list of the instructors is available via the [Faculty Directory](#) at the SMU website.

## Grading

SMU adopts a 4-point grading system. The following grade notations are used in calculating the Grade Point Average (GPA), which is the quotient of total grade points divided by total course units attempted:

Grade	Grade Point	Mark Range	Grade	Grade Point	Mark Range
A+	4.3	86 and above	C+	2.3	66 to 69
A	4.0	83 to 85	C	2.0	63 to 65
A-	3.7	80 to 82	C-	1.7	60 to 62
B+	3.3	77 to 79	D+	1.3	53 to 59
B	3.0	74 to 76	D	1.0	50 to 52
B-	2.7	70 to 73	F	0.0	49 and below

## Class Attendance

You are expected to attend all classes. In all courses, the instructor will determine the acceptable level of attendance. If, in the opinion of the instructor, you have been absent excessively, you may be given a grade of "F". If you receive a grade of "F" for absences during the term, you will be excluded immediately from the course. You should also bear in mind that class participation is an important aspect of the University's assessment system.

To actively participate in classes, physical presence is required (unless stated by the course instructor). Missing a class means forfeiting opportunities to contribute to discussions and activities. As a result, every missed session, with the exception of an "Excused Absence", erodes the class participation grade.

If you are skipping classes because of a medical condition or feeling unwell, you are required to present a medical certificate (MC) from a certified medical clinic/ hospital to the instructor. If you are skipping classes for an extended period (for example 2 weeks or longer), and attempts by the instructor/ school/ Office of Global Learning to contact you (eg. via official email, phone) are unsuccessful, you are liable to have your student registration status terminated. Accordingly, you will be withdrawn from the exchange programme.
