LANGUAGE REQUIREMENTS

Although the Université libre de Bruxelles is mainly a French-speaking university, the Solvay Brussels School of Economics and Management offers a majority of their Master courses in **English**.

It is therefore possible to build up a courses programme fully in English, though it is restricting the panel of courses to choose from. Although we don't require any language certificate, we strongly recommend that exchange students coming to the ULB should acquire at least an intermediate (B2) level of French and/or English **prior to their arrival**.

LANGUAGE COURSES

Students are being given the opportunity to improve their knowledge of French thanks to free French language courses. These courses are aimed at students who already have some good basic knowledge of French (entry level test). More details on: <http://www.solvay.edu/international-programme-languages>

A gratis 40h French course is offered to total beginners in a private school, although this is outside university programme, and therefore not credited.

PROGRAMME

Courses

Exchange students are requested to register to 1 course at least and maximum 30 ECTS. The exact number of courses or ECTS credits has to be determined by the home institution.

Students are authorized to select courses from other faculties, but have to register to at least 60% of their courses at SBS-EM. Courses taken outside our Faculty is subject to the approval of the Professor.

The programmes open are at Bachelor 3 (3rd year), Master 1 (4th year) and Master 2 (5th year) levels.

More details: <http://www.solvay.edu/international-programme-courses>

Exams

- Exchange students will take their exams in the same conditions as regular students
- Exchange students are NOT authorized to organize their exams individually with their professors
- All students are expected to take their exams during the official exams periods:
 - ✓ January (*Exams for the 1st term courses*)
 - ✓ May –June (*Exams for the academic year and 2nd term courses*)
 - ✓ Mid-August – beginning of September (*Resit exams for the 1st and 2nd terms courses*)

For non-European students only: should, for very serious academic reasons, your students not be able to come back to Belgium in order to retake their exams, please note that we can possibly organize simultaneous distance exams (conditional to the professors' agreement and if the time difference allows this).

For any question regarding the exams, please contact anne.georges@ulb.ac.be

Results

The official transcripts of records are emailed to the home institution coordinator (student is cc), in the course of March for the 1st term exchange students and beginning of July for the 2nd term and academic year exchange students.

HEALTH AND MEDICAL INSURANCE

When registering to ULB, students will be required to pay 12€ (TBC) for their obligatory insurance, which is covering them for incidents on the campus and on the way to/from the campus. We however advise them to complement this with another insurance covering them for health issues, incidents outside “working hours” and for their other activities. Either student may want to take insurance from home, or register here when they arrive (social security or private insurance).

ACCOMMODATION

Our university unfortunately doesn't provide student housing to exchange students. Students may look for independent, off-campus housing, for which we do offer support.
