**Grading table**

From 2012/2013 academic year, SGH has changed its grading scale by deleting the 5.5 (the highest) grade. Therefore, the grading percentage of current 5.0 grade represents accumulated percentage of former 5.0 and 5.5 grades. The ECTS grading table that reflects the actual distribution of grades under new system has been updated in May 2013.

In a new system, the grading scale used at SGH from 2012/2013 ranges from 2.0 to 5.0.
- 5.0 is the highest grade and the lowest passing grade is 3.0.
- 4.0 is the norm for a good pass.
