The School of Business accepts exchange students nominated by its partner universities only. After being nominated by the home universities the students will receive a link to an online application form. Students are to provide a CV, a photo and a transcript of records as attachments. Once the application is completed and approved, the students will receive an official letter of acceptance. More information at into.aalto.fi > New students > Incoming Exchange Students.

Application Deadlines

Autumn Term - Application of Admission (incl. housing): April 30th
Spring Term - Application of Admission (incl. housing): October 1st

Language Requirements

Although no official test records of English like TOEFL or IELTS are required, we expect nominated students to be proficient in English both in writing and in communicating in the classroom in order to fulfill the course assignments. The home institution verifies students’ proficiency prior to nominating them to Aalto. The expected level of English proficiency is equivalent to IELTS 6,5 (total) or TOEFL 92 (total).

Visa Requirements

Depending on the nationality and the length of stay, the student may need a visa or a residence permit. Students should immediately proceed with the visa/residence permit application after receiving the letter of acceptance as the process takes up to 6 weeks. Travel arrangements should only be made once the visa/residence permit has been issued. Information about Finnish consulates and embassies can be found at formin.finland.fi.

Orientation and Tutoring

Orientation days are organized at the beginning of each semester. Two local student tutors lead tutor groups of approximately 10 exchange students. The tutoring service is organized in close cooperation with the Student Association.

On Campus Services

Group training and gym are offered by Unisport. Career Services offers career counselling, Aalto CareerWeb for vacant positions, workshops on CV writing and job hunting skills. Campus wide wireless network is available.

Benefits for Students

Exchange students are entitled to discounts in transportation and student-priced meals in student cafeterias. Students may join the Aalto University Student Union (AYY). The members are entitled to use Finnish Student Health Services (YTHS). The student union also organizes many leisure time activities such as parties, field trips, sports and cultural activities. Visit avy.fi/en/.

Health Insurance

YTHS services do not cover all medical costs, so international students are expected to have a medical insurance of their own. For some international students it is mandatory to have a medical insurance in order to get a residence permit in Finland. Students from EU/EEA countries are entitled to medical care while staying temporarily in another EU/EEA country with European Health Insurance Card (EHIC).
