

Module Offer in English - Bachelor's Level Academic Year 2021/22

All Bachelor modules in English are listed below. Please click on the module code in the column "Module Description" to access the complete module information (internet connection required).

Please note the following:

- Some modules require specific advanced knowledge. It is the responsibility of the students to ensure that prerequisites are met.
- This module offer is provisional and hence subject to change. Therefore, no places can be guaranteed in advance.
- The SML offers for some modules a retake possibility of the end-of-module-exam at the end of the following semester/year. Detailed information will be provided during the course of the semester.
- The column 'Semester' indicates in which semester the respective module is offered – for example 'Fall/Spring' means that this module is offered in both semesters. Every module takes place for only one semester.
