Accommodation	The International Office assists in finding suitable accommodation. In cooperation with our Student Service Organisation and other local housing companies there is a wide offer of options, e.g. single or shared rooms, non- or fully furnished. The rent ranges from 180 to 380 EUR per month. Please note that students have to arrange accommodation by themselves: https://uol.de/p54744en
Health insurance	German law requires every student to have health insurance. We strongly recommend to opt for a public health insurance (statutory health insurance), which costs about 90 EUR per month and can be purchased during the International Orientation Week: https://uol.de/p54744en
Fees and costs	Students at the University of Oldenburg do not pay tuition fees. What they do need to pay is a semester contribution (administrative fee) of around 328 EUR that covers the transportation ticket (semester ticket) and some of the campus facilities. Students should transfer the fee to the university's bank account before the start of their exchange semester and keep a proof (screenshot, printout, etc.). The proof is needed for the enrolment procedure: https://uol.de/p21039en Students in Oldenburg need around 850 EUR per month for living costs: https://uol.de/p52851en
Visa information	Exchange students from the European Union, the EFTA (Norway, Iceland, Switzerland and Liechtenstein) and a number of other countries such as the United States, Canada, Australia, Japan and Chile can enter Germany without a visa. Students from non-EU countries require a residence permit to study in Germany (either prior or after their arrival, depending on the country of origin). Students from Non-EU have to demonstrate a minimum of 853 EUR per month for the residence permit. This amount can be reduced if students can prove that the rental and incidental rental costs of their accommodation are lower than 325 EUR. https://uol.de/p54744en
Travel instructions	Germany has a well-developed public transportation system. If you travel by train, make sure to book train connections to Oldenburg (Oldb) (not Oldenburg in Holstein!). It is easy to reach Oldenburg by train from any of the northern German airports such as Hamburg (HAM), Bremen (BRE) and Hannover (HAJ) or even Frankfurt (FRA).
Arrival	The expected arrival date for exchange students is, at the latest, the day before International Orientation Week. We strongly recommend attendance: https://uol.de/en/international-orientation
