Originally named for its meadows, Campinas was founded in 1774 and is today an important and growing educational, industrial and financial center with over one million inhabitants. Campinas has a rich cultural life. The city has its own Symphony Orchestra – considered one of Brazil’s best – cinemas, theatres, parks, malls and regional and international restaurants. There are also many “barzinhos” (pubs), where people often meet to hear great music. Campinas is also the home of two popular soccer teams: Guarani and Ponte Preta.

Recreation in the vicinity of Campinas is also rich and varied. São Paulo, one of the world’s largest cities and an important cultural center, is located 100 kilometers southeast of Campinas – a one-hour ride by car or bus. In addition, many country resorts and parks are accessible, offering a taste of life in the “interior” (countryside). Finally, the famous São Paulo beaches of the coast are only a two-hour drive away.

Campinas is served by a good transportation network, with bus service being the most common form. The Viracopos International Airport is also located within 30 minutes from Campus.

For this reason, students should bring their most frequently used prescription drugs.</p> |
| <p>Visa</p> | <p>A Mercosur Visa or a Student Visa is required to enroll at Unicamp, and can be obtained from the consular division of the Brazilian Embassy or Consulate in the student's country of origin. A visa must be requested early enough to allow time for bureaucratic procedures, which can be quite lengthy. <u>Although it is possible to change visa status while in Brazil, this is not recommended, since this procedure is very time consuming.</u></p> <p>For this reason, we strongly advise you to enter Brazil with a Mercosur or Student Visa.</p> |
