Chung-Ang University’s Student Services for International Exchange Students

1. Global Ambassadors

Every exchange student will have their own buddy called “Global Ambassador.” They will help you adjust to Korean life, pick you up at the airport, and get in the dormitory room. They will also help you to sign up for our cultural activities (called “CKEP”) and visit the places with you as a guide. You can always ask them about anything you are curious about, or anything involving school life. They all speak basic English and some of them are good at other languages like Chinese, French, etc. The existence of Global Ambassadors guarantee high-quality of service for the international students.

2. CKEP (CAU Korea Exploration Program)

Every semester, CAU hosts 3 to 4 cultural activities for exchange students to participate in, called “CAU Korea Exploring Program (CKEP)”. It cost approximately 3~400USD to each students for a semester, however, we are happy to mention that we offer 100% discount on CKEP program to our exchange students. It is completely free of charge! These can vary from baseball game outings to harvesting strawberries or making kimchi, Korea’s national side dish.

<td>Amazing program! The variety/range of activities were thought out well in allowing us to experience different aspects of Korean culture. The GLAMs were very friendly and approachable as well. They did a great job in being ambassadors of both CAU and Korea. I would say that participating in the activities offered by CKEP was a highlight of my exchange.</td>

<td>The CKEPs are very broad in terms of culture, food and etc. I am very thankful for this program as an international students in CAU because we went to places that is impossible to go as a foreigner. This program is one of the many reasons why I would recommend to my colleagues to attend CAU. And having this program, other international students from other Uni(s) in Seoul said I’m lucky to be in CAU. Thank you so much!</td>
