Housing

As we have a shortage of housing, the number of rooms allocated to exchange students is very limited. In most cases housing is guaranteed for non-EU students because of immigration rules. Unfortunately we cannot offer EU students a student room. We would recommend to register for a room via **www.room.nl**. For more information check the website from **Idealis**.

Immigration information

For some incoming students, Wageningen University & Research needs to apply for a MVV entry visa and/or residence permit (VVR) after admittance (students should not start procedures themselves). The International Office of the Student Service Centre (SSC) from Wageningen University & Research will send the application for entry visa (MVV) and/or residence permit (VVR) to the immigration authorities (IND). The dues for this procedure are €192 (2021). In this table you can check which permit(s) are needed.
